Summer Camp is Back! 2021

Nurturing a new generation of nature lovers

Children ages 5-10 are invited to join us this summer for a week of outdoor play, exploration, and connection. Campers will be invited to create, get dirty, ask questions, and seek answers in one of California’s premier native botanical landscapes.

Pilot Program

Camp will launch this summer with 2 weeks of piloted programs. Each camp will have 10 spots available. As part of this pilot program, participant families will be asked to provide feedback on their experience to help us evaluate and improve our camp programs.

Camp Information

Date & Times: Camp runs Monday-Friday from 9am until 3pm. Drop off begins at 8:30am.
  July 12-16 for ages 5-7
  July 19-23 for ages 8-10.

Cost: $250-$175 discounted rate. Scholarships are also available. Contact us for more information.

COVID-19 Protocols: In addition to adhering to the latest county and CDC guidelines, the Garden will have frequent handwashing breaks and a brief health screening upon checking-in.

Acorn Adventurers (Ages 5-7): July 12-16

Adventure awaits at the Garden! Acorn Adventurers will connect with the natural world and each other through outdoor play, arts and crafts, wildlife viewing, and exploration. Participants will build on their understanding and appreciation of the natural world and native ecosystems as they move, create, and explore in the Garden.

Plantastic Problem-Solvers (Ages 8-10): July 19-23

Ever wonder how water gets to the top of a redwood tree? How do plants inspire engineers? Campers will learn from some of Earth’s original problem solvers—plants—to design and create solutions inspired by nature. This week will emphasize building structures, modeling natural processes, and solving problems using natural materials.
